

# Catering to Your Needs

## Promise Culinary School

Educates individuals in the art of commercial food production, instructing students with skills to work within fine dining establishments, corporate kitchens, and institutional facilities.

## Promise Baking & Pastry

Teaches the science of baking and the art of production, preparing graduates for positions in mass baking, small batch and custom cake design, dessert development and menu curation for dining facilities and clients.

**+86%**  
of students find  
employment after  
graduation

### Core Culinary Values

The Promise Culinary School has been teaching individuals in the culinary arts field since 1997 and over 86% of our students find employment after graduation.

### Affordable Culinary Training

Our state-certified vocational school offers affordable culinary training with classes taught by professional staff reviewing a wide variety of culinary fundamentals including: knife skills, cooking methods, catering, food safety, and more.

### Professional Development

Our Baking and Pastry Arts program provides a thorough education on the fundamentals of baking and pastry production. Classes review: bread baking, cake preparation, alternative diet options such as vegan, dairy-free, gluten-free, and diabetic friendly desserts and more.

### Job Placement for Culinary Graduates

Financial aid, scholarships, and payment plans may be available for those who qualify. To learn more, please call us today at: (732) 545-9002 Ext: 113

### Student Support Services

### Bilingual Culinary Certifications & Courses
